GUIDELINES FOR THE INTERNSHIP PROGRAM

(NON-CREDIT)

The purpose of the Internship Program at Wagner College is to allow students to engage in a “learn by doing” work experience, supervised by the College and professionals in the field. Internships are usually related to the students’ major and are generally reserved for students who are in good academic standing.

The student has the responsibility to devote a minimum of 105/210 hours. The work is to be performed on a regular weekly basis during the fall, spring, or summer semesters. The student will maintain a log describing day-to-day activities and the times and hours worked.

The student’s performance will be discussed with the Internship Supervisor at the host organization. The on-site supervisor will complete a written evaluation of the student’s performance.
