 = Response is required

Students enrolled in the Graduate Early Childhood Education (GECE) teacher preparation program are required to complete professional field experiences with the guidance of the classroom teacher and course instructor.

Students are also required to complete this form for each course requiring professional experience field hours and submit it in Taskstream to satisfy course requirement and evaluated by instructor.

Please follow any documentation and/or communications with suggestions and guidelines for all professional experiences sent out by Dr. Frumkin, Dr. Gonzalez, and/or instructor.
