

2020–2021 Verification Worksheet

Dependent Student – V5

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

Instructions for Providing Tax Data for Verification:

There are two ways that families can elect to provide their tax information for the purposes of verification. If you are eligible to do so, the preferred method is to use the **IRS Data Retrieval Tool**. This tool links the information on your tax return directly to the FAFSA. Please note that if you recently filed your taxes or if you currently have an unpaid balance with the IRS, the retrieval tool may not be available to you.

Alternatively, families who are unable to use the Data Retrieval Tool may **contact the IRS to order a Tax Return Transcript**. You can request the transcript online, over the phone, or in person at your local IRS branch. Please be sure to request the “Tax Return Transcript” and **not** the “Tax Account Transcript” when communicating with the IRS.

Instructions for Using the IRS Data Retrieval Tool

- Go to www.FAFSA.gov
- Log into the student’s FAFSA.
- Select “Make FAFSA Corrections.”
- Under the Financial Information sections, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool.
- You will be redirected to the IRS website to authorize the transmittal.
- Be sure to save and resubmit the updated FAFSA.

Instructions for ordering a Tax Return Transcript

- Go to www.IRS.gov
- Select “Get your tax record.”
- You may opt to “Get Transcript Online” or “Get Transcript by Mail.”
- To use the “Get Transcript Online” tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user’s name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS’s two-step authentication.
- If you select “Get Transcript by Mail,” it may take up to 10 business days for you to receive the transcript.
- Make sure to request the “Tax Return Transcript.” Do **not** select “Tax Account Transcript.”
- You may also opt to use the IRS Automated Telephone Request service by dialing 1-800-908-9946. Transcript is generally received within 10 business days from the IRS’s receipt of the telephone request.
