Failure to submit documentation, late registration and/or leaving information below incomplete will result in a delay in your package. All registered students are packaged in the order in which their *completed* paperwork is received.

Note: Federal aid should always be exhausted prior to borrowing alternative loans.

****Any federal loans or grants you receive during the summer will affect the amount of aid you may receive during the 2026-2027 (Fall and/or Spring) academic year. Federal Direct Loans may be reduced proportionally based on enrollment intensity.***

4. Are you a Graduate student? ☐ Yes ☐ No
If yes, please complete a 2026-2027 Graduate Enrollment Form, which can be found at ***wagner.edu/financial-aid/forms***.

I understand that I must be registered for 2 units (undergraduates) or 4.5 credits (graduates) in order to receive federal aid. In addition, if applying for an alternative loan, I understand that the lender that I have chosen to borrow from may require a minimum enrollment of 2 units or 4.5 credits and that it is my responsibility to inquire about the enrollment requirement directly with the lender. I understand that failure to confirm information with my lender may delay receipt of my funds and payment of my student account.
