Why I Want to Be in SGA?

In the short year that I have been attending Wagner college, it has become apparent to me that this campus and its people are two things I care very deeply about. Not only do I know the plenty of opportunities Wagner has for its students through participating in some myself, but also through watching my peers do the same. My most proud opportunity I have had the pleasure of serving thus far has been being a member of SGA as its Community and Belonging Senator. I believe holding this position has given me a purpose in helping to make campus better for the great students that attend it whether it be through the addition of whiteboards to the Harborview common areas, or bringing back free water in Hawks. In becoming SGA president, I would not only be able to further my passion for the student body in advocating for their needs, but ensure that everyone's voice can be heard equally.

Why I Want to Be in SGA?

I'm running for SGA Executive VP because I'm committed to making Wagner a more welcoming, inclusive, and engaging community for all students. This year, I gained valuable experience on the SGA E-Board serving as VP of Student Organizations, where I collaborated closely with campus departments and supported a wide range of student clubs. One of my key initiatives was increasing awareness of campus involvement by creating "tiny mic" interview videos featuring club representatives, helping students understand the opportunities available to get more involved on campus. Beyond my role in SGA, my involvement in other organizations such as the SEA Office, TAB, WCBG, and more, has allowed me to hear firsthand the challenges students face, which has only strengthened my commitment to advocating for meaningful change. If elected, I plan to build upon the progress we've made this year and ensure that every student's voice is heard. Thank you for your time and consideration.

Why I Want to Be in SGA?

Through my involvement in multiple student organizations, where I have served in executive board and chair positions, I have gained firsthand experience into what clubs need to thrive.

At Wagner, I've had the honor of working with Theta Chi, WagCab, OutWagner, Theater Advisory Board, Psych Club, and the Student Government Association as the Campus Operations Senator.

These experiences have strengthened my ability to collaborate, problem solve, and advocate for students.

I believe that it is time to take a step up with SGA to better support and uplift our campus organizations. I am confident that with my experience and dedication to our school that I can lend an assisting hand to all student organizations with the resources and tools they need to shine.

Why I Want to Be in SGA?

I want to run for SGA Vice President of Organizations because I've seen how important clubs are in helping students find their place. As President of the Class of 2029 and Vice President of Education, I've had the chance to work with different groups of students and understand what makes a strong and supportive community. Starting a new club at Wagner gave me a better understanding of what goes on behind the scenes. I learned how much effort it takes to get a club up and running and how important it is to have clear guidance and support. This role is about helping others and making sure every student has the opportunity to get involved, even if they're not sure where to start. I'd really love the chance to be a part of that and keep building a more connected community.

Why I Want to Be in SGA?

I want to run for VP of Finance because SGA has been a big part of my time at Wagner, and after being involved for the past 3 years, I feel like

I have the experience and understanding to take on this role.

I've seen how much financial decisions affect what SGA can actually do, and I want to help make sure money is being used in a way that really benefits students. Over the years, I've gotten to see what works, what doesn't, and where we can do better. I think being in SGA for this long gives me a solid perspective, and I'd want to use that to help make thoughtful and fair decisions. I'm not running just because it sounds good and it has a fancy title on a resume, I actually care about helping SGA run well and making sure student voices and ideas can turn into real action, especially when it comes to club budgeting and staying on track with the budget updates & approvals.

Why I Want to Be in SGA?

I want to run for this position because I feel like I am able to create an organized and efficient environment to complete all my duties in this position. I want to be able to help everyone on the executive board and having this position will let me do that. Also holding this position helps me grow my time management, leadership and productivity skills which will greatly benefit my future.

Why I Want to Be in SGA?

This past year was my first year being a part of SGA. I was in charge of the social media and making posters for the Class of '27. My favorite part of class council is planning and organizing the events. I like the communication involved in event planning and collaborating with other SGA members. I want to be President of this class, so I can be more involved in the behind the scenes of the action.

Why I Want to Be in SGA?

I want to run for Class of 2027 Vice President because I genuinely care about my class and the experience we have going into our senior year. Being Secretary has already given me the opportunity to be involved and contribute, and I want to build on that by taking a bigger role in making sure our class is represented and heard. I want to help guide our class not just toward having a fun final year, but also toward taking that next step into the real world. One thing I've learned from my time in SGA is that ideas matter, but action matters more. I was able to bring the Easter egg hunt to life, and seeing people show up and enjoy it showed me how much small efforts can impact the overall campus environment. As Vice President, I want to continue bringing ideas like that forward while also working with others to make them happen. I also want to focus on increasing student involvement.

Whether someone lives on campus or commutes, everyone should feel included and have equal opportunities to be part of what our class is doing. A stronger sense of community makes a better experience for all of us. I'm a hands-on person who likes to take initiative, stay organized, and use feedback to improve. I'm not perfect, but I'm always willing to learn and get better. As Vice President, my goal is to help create a senior year that is fun, memorable, and meaningful for everyone.

Meet the Candidate

Kayla Taylor

Why I Want to Be in SGA?

My name is Kayla Taylor. I am interested in running for this position because I want to take on a more active role in contributing to the Wagner College community that has already given me so many opportunities for growth. As a student in the Nicolais School of Business and a proud and dedicated member of Alpha Delta Pi on campus, I have developed strong skills in communication, organization, and teamwork, and I am eager to apply these in a leadership role. This position is important to me because it provides the opportunity to represent my peers, advocate for their ideas, and help create a positive and engaging environment. I believe I have a strong work ethic. I am motivated by the opportunity for both personal and professional growth. I want to be someone others can rely on. Taking on this responsibility would allow me to further develop my leadership abilities while giving back to a community I am proud to be part of. I am confident that my dedication and commitment to Wagner College and Alpha Delta Pi sorority make me a strong candidate for this position.

Why I Want to Be in SGA?

I have been on multiple student councils in high school and church committees. I work well with numbers and am responsible with money. I have also been in charge of counting money for multiple fundraisers including some of my own and feel qualified for the position if you'll have me! I want to be able to contribute throughout my time at Wagner and doing something I've been doing since I was a kid seems fitting!
